Statement of Compliance with California Proposition 65

Dear Customer:

AVX Corporation complies with California Proposition 65. All items manufactured by AVX Corporation meet the California Proposition 65 workplace and customer information requirements.

This document certifies that the products manufactured by AVX do not contain chemicals included in the latest California Prop 65 list with the exception of Nickel, Antimony, and Cobalt. These items are used in some products, but in no case are these substances deposited on the external surface, so there is no risk of human exposure.

Sincerely,

A handwritten signature in black ink that reads "John M. Waites". The signature is written in a cursive style with a large loop at the beginning.
